

Membership Dues – Terms and Conditions

Effective August 1, 2025

Dues Structure and Payment Terms

Membership dues are assessed based on the applicable membership type and selected payment method. Unless otherwise specified, the standard monthly dues rate is \$75 per practice location, payable on a net 30 basis or discounted to \$840 if opted into annual billing. Dues are subject to modification at the discretion of PSIvet. While PSIvet will endeavor to provide at least thirty (30) days' advance notice of any increase in dues, such notice is not guaranteed, and dues may be adjusted without prior written notice.

Annual Billing Policy

Members who elect an annual billing arrangement acknowledge and agree that all dues paid under such arrangement are non-refundable, regardless of any change in membership status (including but not limited to termination, cancellation or downgrade) occurring during the annual billing cycle. No pro rata refunds or credits will be issued.

Effective Date of Billing Changes

Any changes to billing terms, including but not limited to modifications to membership type, billing frequency, or payment method, shall become effective commencing with the next billing cycle following the date on which such change is processed and confirmed by PSIvet.

Delinquency and Rebate Application

In the event of non-payment, PSIvet reserves the right to apply any rebates earned by the member toward satisfaction of outstanding dues. Rebate amounts shall be applied first to reduce the member's delinquent balance. Only after all dues are paid in full shall any remaining rebate amounts be disbursed to the member.
